

# "Donating a Goat"

Who are we?

My name is Mrs. Kaddija Toussaint and am the proud owner of CESSAY's Goat Farm.

I have always wanted to help my home country and the needy.

Cessay's goat farm is being operated by women only, empowering poor women of The Gambia - Africa.

Who are we?

## What's the problem?

Most of the woman in The Gambia Thus poverty is on the increase rather than declining. The condition of women in The Gambia is worse than their male counterpart, as they lag behind in all spheres of development.

The Gambia Falls among the poorest countries in the world.

As we are unable to provide for each woman in need work at our Farm, i decided to start this donation campaign

"Donating a Goat"

What's the problem?

## The IDEA

Most women - who are prevented from owning land in many of these communities, are often unable to grow and produce to feed their children. By donating a goat they will be able to have milk, make cheese, yoghurt and other products, which is for the family and can be sold to have some kind of income.

In case donating a male and female goat it will grow their income.

The Idea

## "Donating a Goat"

- The cost of 1 Female goat is £ 82,-
- The cost of 1 pregnant Female goat is £ 125,-
- The cost of 1 male & 1 Female goat is £ 157,-
- The cost of 1 male & 1 pregnant Female goat: £ 185,-
